**Above:** Examples of 21 and S ciphers in the four main *Waffenfarben* associated with reconnaissance and motorcycle infantry elements: rose pink (*rosa*), golden yellow (*goldgelb*), meadow green (also referred to as lime green) (*wiesengrün*) and copper brown (*kupferbraun*). (Insignia top left, top right, bottom left and bottom right courtesy of Chris Varrichio; third from left on bottom row, Glen Hendricks) **Below:** Sample pairings of armored vehicle crewmen insignia in rose pink and golden yellow. The pink set is for *Aufklärungs-Abteilung 1 (mot)* of the *1. Panzer-Division* and the golden-yellow set is for *Panzer-Aufklärungs-Abteilung 24* of the reconstituted (post 1943) *24. Panzer-Division*. (Both sets courtesy of Chris Varrichio)
